

# CANDELA portable rechargeable terracotta lamp by ESTUDI RIBAUDI

Ref. 70790

CANDELA is a portable outdoor lamp designed by Jordi Ribaudí. It is the modern and daring design solution for outdoor dinners or a cosy porch. Its design reminds us of the old lanterns and its terracotta finish transports us to the desert and the dunes. A warm inspiration for any corner. The light filters between the spaces of the structure and has 3 intensities, which can be controlled with the included remote control. The LED light module is rechargeable via an induction base, also included.

## **General characteristics**

Fixation Table
Type III
IP 67

 voltage
 100V-240V

 Hertz
 50/60Hz

 Switch type
 Touch

Type of load 5V CARGA RÁPIDA / 5V

included battery Yes6h Power 3W

## Material

Body/Structure Polystone
Diffuser PC

#### **Finish**

Body/Structure Terracotta
Diffuser Opal

# **Lighting characteristics**

Light source included Yes
Temperature 3000K

LM 290lm
CRI =80
Dimmable light source YES

**Light direction** Ambient lighting

## **Driver**

Requires Driver Yes
Driver embedded Yes

### Additional Information

Type of charging cable included NO
