

HOOK is a portable lamp designed by OiKo Design Office made from recycled material and where following a strict eco-design protocol has reduced the environmental impact between 30 and 70%, achieving a totally PVC - free product. It is manufactured and assembled by HOOK, an organisation that works with people with intellectual disabilities. The HOOK design has won the prestigious Red Dot Award and has been recognised with the Green Product Award and the German Design Award.

General characteristics

Туре	II
IP	20
voltage	100V-240V
Hertz	50/60Hz
Cable meters	4200mm
Switch type	On/Off
Power	5W

Table

Material

Fixation

Body/Structure	Recycled PP
Diffuser	PP

Finish

Body/Structure	Matt Black
Diffuser	Opal

Lighting characteristics

Light source included	Yes
Light direction	Ambient lighting
Energy classification	F
Bulb socket included	Yes
Driver	

Νo
